CRENSHAW LUMBER RECOGNIZED BY MILGARD MANUFACTURING

Crenshaw Sash and Door is pleased to announce that it was named Certified Dealer of the Month for October 2013 by Milgard Manufacturing. This is a significant accomplishment and is the result of much hard work and effort. Milgard is a industry leading supplier of windows and doors. Like Crenshaw, Milgard exhibits a determination to be the industry's best which extends to everything they do. Milgard is known for a high quality product, an excellent warranty and unparalleled customer service.

As a Milgard Certified Dealer, Crenshaw Sash and Door has been trained by Milgard and stand ready to help you with every phase of your window selection and installation. You can be certain Crenshaw Sash and Door will give you the best possible advice and service to help you with your window and patio door needs. So if you are in the market for windows and doors, Crenshaw Sash and Door can help you in a variety of ways:

- In a replacement situation, we can help you obtain exact measurements of your existing windows to ensure the best product fit. We also can help determine the best way to install replacement windows to minimize the impact on your home.
- In a new construction scenario, we can show you ways to upgrade windows specified by builders or architects to add curb appeal, beauty and comfort to your home through the creative use of windows and window configurations.
- Crenshaw Sash and Door can work with you to determine the best products and options for your home's architecture and orientation on your property, as well as for your climate and lifestyle. We also can provide inspiration by pointing to what other homeowners in your area have already done.
- We can show you ways to improve energy efficiency.
- We can show you ways to reduce outside noise for a quieter home.
