

## Gardening Tool Gift Bouquet

Everyone loves getting flowers, but here's a fun bouquet that will actually help you *grow* the flowers. This whimsical gift is a bucket filled with all kinds of tools. The gardener on your shopping list will really appreciate this gift. Follow these simple steps to see how you can build your own bucket bouquet.

**Step 1:** Take a shiny silver bucket or a garden basket and fill it with the gardening tools that will complete your bouquet. Be sure to place the tallest items in the center. See our suggestions for items in the sidebar. You can add or subtract any of the items from this list to customize your bouquet.

**Step 2:** Once you have all of your items arranged, cover the bucket and the items loosely with clear plastic wrap.

**Step 3:** To put on the finishing touches, tie the bouquet with raffia and add a bow.
