

What's happening in APRIL at Centerville Produce??

Chicks Night Out

Wednesday, April 16th

This evening will consist of egg smashing, specials on Purina chicken feed and baby chicks! We will be serving BBQ chicken wings. The festivities begin at 6pm!

Custom Spraying

If you haven't discussed your corn and bean acres with Ryan, now is the perfect time to get it done!!

Baby chicks available now!

We will have an assorted selection of broilers and layers available in store. If there is any particular variety you would like to see us carry, let us know!

Poultry Feeding Trial Purina vs. Brand X

Come check out our new in store poultry feeding trial. We have two groups of Cornish Cross broilers. Group 1 is being fed Purina Start and Grow. Group 2 is being fed Brand "X". Both feeds are 18% protein. Week 2 results are now in! Stop by and see the results!

CATTLE OWNERS:

Spring is here! Now is the time to begin feeding high magnesium products to help prevent grass tetany!
