SAFETY RULES & OPERATIONAL GUIDELINES

To ensure the safety of you and your guest as well as our equipment, Grand Rental Station requires as part of our rental agreement that you become familiar with and agree to implement the following:

- 2.) Do not overload any inflatable. Each of our inflatables has a capacity chart posted on the inflatable near the entrance. The maximum rider capacity should never be exceeded.
- 3.) Do not use the Inflatable during periods of rain or excessive winds. In the event of severe weather, (lighting, thunder, rain or high winds) instruct all occupants to immediately exit the inflatable and DO NOT allow re-entry until the weather clears and inflatable is DRY.
- 4.) Remove Shoes, Necklaces, Eyeglasses, Jewelry and other Hard or Sharp Objects prior to entering any inflatable.
