

TRUSS/SLATER WINDOW & DOOR

4117 West Wabash, Springfield, IL 62711
Phone: 217-679-8410 / Fax: 217-679-8412
WWW.GARRETSONLUMBER.COM

In response to increased customer demand and in a better effort to serve both new and existing customers, Truss / Slater - a division of Garretson Lumber - is opening a new window and door showroom in Springfield, IL. The new showroom is located at 4117 West Wabash - next to the Tilted Kilt Pub and Eatery.

As Energy Code requirements continue to require more energy-efficient windows and doors, contractors and home owners need to be aware of the many options for both new construction and replacement windows. When replacing or building a new home, it is important to balance energy-efficiencies with total costs. Our window lines offer high value at multiple price levels.

Built around you.[®]
www.Marvin.com

Marvin[®] is a company built on a foundation of craftsman values. With techniques refined and passed on through four generations, they take pride in building windows and doors the right way. Marvin is dedicated to producing energy-efficient products that support a sustainable future. Their combination of superior craftsmanship and virtually unlimited design capabilities make Marvin the best total value on the market today. *All shapes, profiles and colors in both new construction and replacement win-*

Marvin Integrity[®] windows and doors are made with Ultrex[®], a pultruded fiberglass they have patented that outperforms and outlasts vinyl, roll-form aluminum and other fiberglass composites. They use Ultrex and our proprietary pultrusion process to manufacture high-demand windows and doors that endure all elements without showing age or wear. *Exceptional value at mid-level pricing. Customizable replacement windows.*

Viwinco[™] has been manufacturing premium vinyl windows and doors for over 30 years. Their Premier Signature Series provide industry leading technology in both the frame and glass designs. Composite jambs complete a maintenance-free window package. *Exceptional value at mid-market pricing levels. Customizable vinyl windows and replacement windows.*

Atrium[®] windows and doors for new construction are precision engineered to deliver the stability, quality and energy-efficiency that homebuyers value most - complemented by true and lasting beauty. Every Atrium window and door is designed to meet the strictest building codes: yours. They're the perfect choice for your new construction projects. *High quality at entry-level pricing. Customizable vinyl windows and replacement windows.*

Perma-Doors are an excellent choice of steel doors ranging from 24-22 gauge steel. They also offer patio doors and re-modeler's door units, with a wide variety of glass collections, sure to please any homeowner. The doors are available with many types of jamb options, ranging from rot-resistance jambs, composite jambs & aluminum clad. Perma door can paint your entry door systems with 16 stock colors or custom match your needs. Plast-Pro Fiberglass offer fiberglass doors in Smooth Wood Grain, Mahogany & Fir Grain backed with a lifetime warranty.

Please stop by our show room to see our numerous door and window options. **Opening late September 2014.**

Sincerely yours,

A handwritten signature in black ink that reads "Doug Slater".
