Rediscover Outdoor Living
The gazebo is an irreplaceable part of the American landscape.

Octagon

Octagons are the time-honored gazebo shape. This style gives you a classic look for comfortable living.

Oval

Ovals provide a traditional look with the added benefit of a more spacious interior. Oval gazebos accommodate more guests with additional seating room.

Rectangle

Rectangles maximize your living space – the perfect design for hot tubs and multi-purpose rooms.

Large

Large gazebos are available in any of the above shapes. The larger size accommodates big groups and is the smart choice for weddings and commercial settings such as parks and hotels.

Wood & Vinyl

Features the quality points of our designs.

Making Memories... to Last a
From coast to coast, gazebos grace village greens, the backyards of country farmhouses, and the gardens of grand estates. They remind us of a simpler time – an era when we enjoyed the pleasures of life more and worried a lot less.

Explore our handcrafted gazebos and you’ll feel the difference. Just one look and you’ll be transported back in time. Close your eyes and hear the sounds of a brass band playing from gazebo steps on a sunny 4th of July.

Smell apple pie cooling on a nearby windowsill. Bring this All-American classic to your home today. Your family will thank you.

The Keystone Gazebo offers a simple and more economic gazebo line. With only specific sizes and options. We offer this wonderful gazebo to you and your family to enjoy at an affordable price.

Cabanas add an outside room to your home. Turn this cabana into an office, a private studio, or just a personal get away. The cabana is ready for you to furnish it just the way you want.

We appreciate each and every customer we have. Thank you to all who have taken the time to write and tell us how much joy and relaxation you have experienced because of our gazebos. We have included many photos and testimonials from our customers in this brochure for everyone to read and enjoy. So from all of us...
The Heart of Relaxation

Wood Octagon

Imagine a peaceful, private retreat removed from the demands of everyday life. You won’t have to travel far. Relaxation is just a few steps from your back door.

Standard Features

Our standard wood gazebos are made of pressure-treated southern yellow pine. Our heavy-duty floor consists of double 2x6 joists and solid 2x6 wood decking boards. The 4x4 posts are laminated as standard, and support 32” high hand railings. Comes with arched corner braces and 6” top spindles. The roof is built with double 2x4 rafters, and sheeted with beautiful 1x6 tongue & groove boards, covered with roofing paper and architectural asphalt shingles.

**Standard Features**

Our standard vinyl gazebos are made of pressure-treated southern yellow pine covered with vinyl. Our heavy-duty floor consists of double 2x6 joists and 1” thick maintenance-free composite decking boards. The posts are made with a solid wood 4x4 inserted in a white vinyl sleeve, and support 32” high rails as standard. They come with arched corner braces and 6” top spindles. The roof is built with double 2x4 rafters, and sheeted with beautiful 1x6 tongue & groove boards covered with roofing paper and architectural asphalt shingles. The underside of the roof is coated with a rich mahogany stain for a beautiful hardwood appearance.
Made for both entertaining and quiet reflection, our handcrafted Country Style gazebo is a fitting reward for a dedicated, hardworking gardener. This show-stopping centerpiece will enhance your home and landscape.

Plant a show-stopping centerpiece...
The Heart of Your Family

The options available for your gazebo will stretch your imagination, not your budget. Imagine a custom designed gazebo that fits the contours of your life and backyard with perfect precision. Our vinyl gazebos are designed for years of easy, worry-free enjoyment.

“I like the quality workmanship and sturdiness of the gazebo. Our new gazebo kit was great, and even our contractor commented on the quality and ease of assembly. We went with you because of the quality, best design and features you offer.”
Create the ultimate escape for both your body and mind. Protect your spa from the elements with a vinyl gazebo. Homeowners across the country know that our gazebos add unmatched beauty and seclusion to the spa experience.

Enjoy a spa getaway – no reservations required.
We enjoy sitting in our gazebo while reading and relaxing. We also picnic in it and eat many of our meals inside. The gazebo keeps us dry in the rain, and the screens keep the bugs out.

The best-kept secret to gazebo ownership is year-round enjoyment. Don’t walk away from your gazebo when summer ends. Our custom screens, VinyLite window systems, and electrical packages provide you with a unique multi-season family room.

“I wanted to let you know that we are very happy. You delivered our unit exactly when we needed it and finished our beautiful room on time. Your workmanship was great, and the overall quality of the room is excellent. Thanks again.”
Our enchanting Dutch Style gazebos offer a welcome setting for large family reunions, receptions, golf outings and church suppers. Provide an incomparable venue that your guests will talk about for months to come.

Make your next event the talk of the town
Wood

The Heart of Craftsmanship

- Assembled with stainless steel screws and glue coated galvanized fasteners
- Engineered to withstand strong winds & heavy snow loads
- Made from #1 Premium grade pressure treated lumber
- Craftsmanship and materials are backed by a ten year limited warranty

Longevity
Stainless Steel Screws
Stainless steel screws help to maintain the long life of your gazebo and offer a finished appearance.

Stability
Double 2" x 6" Floor Joists
...help prevent warping of joists and popping of floor boards. They also allow for a better straight down fastening of the floor board, giving your deck a stronger, longer-lasting life.

Durability
2" x 6" Braces
These braces offer additional strength and control side motion.

Solidity
2" x 6" Braces
These braces offer additional strength and control side motion.

Beauty
24" Western Red Cedar Shingles
The optional red cedar shingles are made with high quality cedar, offering a traditional look.

The Heart of Craftsmanship
Endurance
Laminated Posts
Our laminated posts resist checking and add strength while giving your gazebo a custom look.

Supportive
Heavy Duty Railings
The railings on your gazebo are built to last! We utilize heavy-duty lumber to resist wear and vandalism.

Rigidity
2” x 8” Top Plate
The compression ring ties the rafters and posts of your gazebo together for additional snow load capacity and wind stability.

Prevention
Milled 1” x 4” Ceiling Lath
Our milled 1x4 laths allow your cedar roof to breathe and offer a wonderful interior appearance as well.

Strength
Double 2” x 4” Rafters
Our double rafters give your gazebo roof a heavy-duty load capacity and help prevent beam warping.

Quality
#1 Premium Grade Lumber
We use only the highest quality lumber for your gazebo. We mill every piece in-house to reduce splinters and rough edges for a smooth finish and better feel.
Vinyl

**Quality**

Reinforced Connecting Plates

- Stainless steel
- These brackets give your gazebo a greater snow load capacity and higher wind resistance.

**Stability**

9" Stabilizing Screws

- This hidden, but very important part ties the roof and braces together for added lateral strength.

**Solidity**

2" x 6" Solid Braces

- These braces add strength and control side-to-side motion.

**Maintenance-Free**

1" Thick Composite Decking

- Composite decking means there's no need to paint or stain your decking. Long-lasting color matched composite screws hold your decking in place.

**Beauty**

Seamless Corner Caps

- Give the base of your gazebo a seamless look and high quality finish.
