Here's how the club card works:

Ask about becoming an Agway Salt Club member. We will give you an Agway Salt Club Card. Bring in your card every time you buy the Agway Water Softener products listed below. Each time you buy salt, the store will punch or mark the card to validate your purchase. When you have purchased 8 bags of the same product, fill in your name, address and sign and date the card. Hand in your card for redemption and you will get one bag of that same product for free.
