PRICING AND MERCHANDISING POLICY

Some items in this circular may require assembly, which is available at an additional cost at some Southern States stores. Ask your dealer for details. Advertised items were selected many months in advance. Prices and merchandise availability are therefore subject to delivery by our suppliers as scheduled. Some of our dealers may not stock every advertised item. Prices good only at participating Southern States stores or dealers. In the event a store or dealer participating in this sale sells out or doesn't stock the advertised item, we may offer you a product of comparable quality and price. Or upon request, we will issue a "RAIN CHECK" and you can purchase at the advertised price within 30 days from date of issue. Rain check policy does not apply to clearly marked "limited supply" items which are available only while quantities last or name brand items that dealers may not have access to. We reserve the right to limit quantities and to correct printing errors.
