### THE #1 BRAND OF STAIN RESISTANT DECKING

AZEK® Deck has pioneered a new generation of decking - Stain Resistant decking. This innovation is in response to market demand as consumers move away from wood and composites and look for a better decking product. AZEK Deck limits the shortfalls associated with traditional wood and composite decking so that you can enjoy your deck without worry. With AZEK Deck, you can rest assured your deck will continue to look great for years to come.

**\$4.05** per LNF

Take the AZEK Deck Double Dare and you will see first hand why AZEK Deck beats all other decking options - wood or composites - hands down.

**PENOFIN** Protect your investment.  
Penofin Blue Label

PENOFIN exterior finishes were formulated to safeguard the natural beauty of wood and to prevent discoloration from the sun's ultraviolet rays. Penofin resists and retards bleeding caused by nails. Two key ingredients contribute to Penofin's exceptional abilities:

- Brazilian Rosewood Oil provides tough, deep-down moisture protection while still allowing the wood to "breathe." There's no surface film to trap moisture, chip, or peel.
- Microscopically fine, transoxide pigments inhibit ultraviolet damage and darkening. They add deep, rich color without hiding the natural beauty of the grain.

1 gallon **\$29.99** 5 gallon **\$134.99**

Colors in stock, Transparent Redwood, Sierra, Clear & Chestnut. We also stock Penofin Verde, Penofin for Hardwoods, Wood cleaners and Brighteners. See our website [www.Fosterlumber.com](http://www.Fosterlumber.com) or video demonstrations of these Penofin products.

**Tiger Claw**  
Hidden Deck Fasteners

**TC-1S 50sft box**

The Tiger Claw TC-1S clip system has been designed to hide fasteners in softwood decking boards such as pressure treated, cedar, or redwood decking. The TC-1S is made of hardened carbon steel for outstanding corrosion resistance and is approved for use in ACQ and chemically treated lumber for long-term performance.

- Simple three-step installation process results in a safe, secure, fastener-free decking surface
- Clip drives flush to the decking, allowing boards to dry and shrink naturally, creating a consistent gapped look
- TC-1S reduces wood splitting, wood rot, and board cupping and comes complete with a 15 year warranty
