5713ANPL with Chlortetracycline 4,800g/ton

FEATURES AND BENEFITS

- Weatherized formula
- Formulated to balance minerals for mature or dormant forage
- All season program
- No IRON OXIDE (not digestible/ties up copper)
- Color coded for ease of use
- Sel Plex (Organic Selenium) for optimum selenium absorption
- High levels of vitamins and minerals to optimize herd health

FEEDING DIRECTIONS:

Offer free choice to cattle in a clean, dry area. Or mix into feed at the rate of 0.25 pounds per head per day. Always provide a clean, fresh source of water. Consult your Kalmbach representative concerning any questions with the use of this product.

This feed contains added copper. Do not feed to sheep or other copper sensitive species.
