

# C HRISTMAS AT WALNUT RIDGE

November, 2015

Dear Loyal Walnut Ridge Christmas Family,

Exciting things are happening at Walnut Ridge this Christmas!! After more than 60 years in the Christmas business, we have decided to change the way we do Christmas at the Ridge. We want to re-focus our efforts and return to a more simple and traditional Christmas this year. As one of our preferred customers, you are among the first to hear the news.

As you know, Walnut Ridge has the most talented and hardest working Christmas elves who have worked tirelessly to create special Christmas memories for generations of families. We suddenly find our elves are centuries older and with Santa's blessing, they will start their plans to retire to the Silver Belle Elf Retirement Community in the southern part of the North Pole.

The process of changing Christmas traditions will be supervised by the elder elves from start to finish. The elves in training will assist this year as we begin our efforts to deplete the shelves of inventory and provide you with some unbelievable deals!!

Although you won't see as many elaborate displays as in years past, we will continue all of the traditional services such as bow making, wreath decorating, custom arrangements, poinsettia wrapping, etc. As always, Santa will arrive by fire truck on Saturday, November 28th at noon. He will also be in the store for individual visits with our youngest customers each Sunday from 1-3 pm.

We appreciate our loyal customers and want you to take advantage of this exciting opportunity to add to your Christmas décor without having to wait for the after Christmas discounts. Check out the dates and savings schedule listed below.
