YOUR PROJECT DESERVES THE MOST IN QUALITY PRODUCTS & SERVICE

Get The Results You're Looking For

TOOLS & FASTENERS

- With over 50 years of experience, SENCO has helped build the world as the leader in fastening solutions for use in the residential home construction market
- SENCO has a full line of fasteners
- We also carry generic nails -

STRONGER SAFER STRUCTURES

- Structural connectors, shearwalls, anchors, fastening systems, and seismic testing for stronger and safer wood and steel construction
- Just like your home, it's important to make sure your deck is built right

PRIMED LUMBER

- Pre-primed boards are popular options used for interior and exterior applications
- Provides an excellent surface for paints

PRESSURE TREATED LUMBER/PLYWOOD

- Available for above ground, ground contact and fresh water contact applications for projects such as decks, fences and landscaping
- Pressure treated products are protected from damage by termites & fungal decay

MOULDINGS

- A leader in the moulding and lumber industry
- Due to the differences in architectural design in various regions of the west, Kelleher has developed a moulding mix to best represent these unique markets

ENGINEERED WOOD

- A key part of making a high-performance floor
- Resists the bowing, twisting and shrinking that can lead to squeaky floors
- Engineered to provide strength and consistency

DECKING

- Redwood and Composite Decking

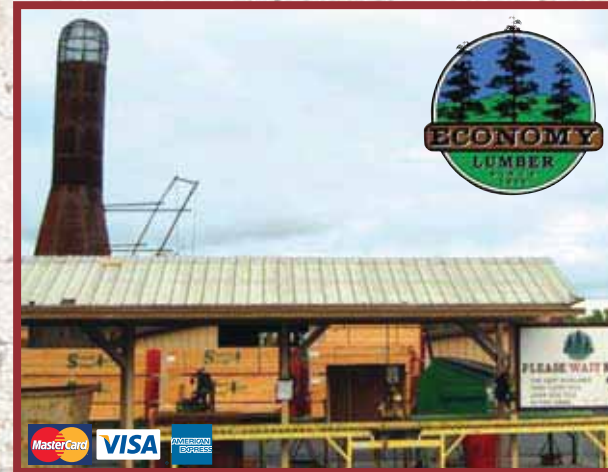

FIBER CEMENT SIDING

- Gives you a beautiful home that is safe from environmental and accidental wear and tear
- Choice of up to 26 baked-on colors
- Designed to last a lifetime
