Q: If I purchase different brands and sizes of bags/cases, are they all on the same program?

A: No. Each size and brand is on its own program. For instance, if you purchase 6 bags of Earthborn Holistic 14lb bags and then purchase 6 bags of the 28lb size, you will have two programs started. You will still have to purchase 6 more bags of each size to qualify for the FREE bag certificate. Case of cans of each size have their own Buy 12 Get 1 Free program too.

Q: After I reach my 12 bags or cases, when will my FREE certificate be mailed to my home address?

A: The in home date for the free certificate will be around a month after your last bag/case purchased.

All purchases are calculated within our Rewards system. No need to keep up with receipts or UPC codes. All Certificates are mailed to your home address when threshold is met. Check your frequency status at petdepotrewards.com.
