SPECIAL SERVICES

• **Marek Immunization (for chicks)**

22¢ each

• **Coccidiosis Spray (for Cornish Rock Broilers only)** 21¢ each

- Coccidiosis spray (applied day one) is used by many organic and large-scale farmers. If used, you cannot use a coccidiostat in the feed, as it will counteract the Coccidiosis spray. Must insure dry litter conditions in winter/spring months. Chicks will come with a dye on them. This will go away as the chicks mature.
