WHERE: Fox Valley Technical School 2320 Industrial Drive, Appleton, WI

R.S.V.P. to your HSC Feed Dealer to save your spot today!

Don't miss this opportunity to hear what these great regional professionals can teach you!
Learn how to Fit, Feed, and **Show** your animals to their maximum potential !

Hog Presenter: Darren Lynd from Janesville, Wi and his family raise, show, and sell their home bred stock through out the Midwest. They have a small 40 sow operation. Darren and Laura have a true passion for breeding high quality show pigs and breeding stock.

Goat Presenter: Taylor Schmidt resides with his family in Reedsville, Wi. He currently breeds 20 Boer and Boer cross Doe's and is constantly improving and expanding his seed stock. In 2011 he was proud to exhibit one of his Bred and owned at NAILE.

Lamb Presenter: Todd Franz is from Bingham Lake, Mn where he and his family have a long history of breeding and raising quality show animals. He has bred and sold winning club lambs all over the country.

Cattle Presenter: Kurt Kegley is from Burlington, Wi where his family has raised cattle since 1970. They have found continued success in the show ring and breeding shed.
