\$3.59

This beautiful red bird is bred primarily for show and large brown eggs. They are a result of careful selection. Both male and female are red at birth and must be vent sexed.

THE BARRED PLYMOUTH ROCK

PULLETS

\$3.29

\$3.59

This black and white barred-feathered bird is another good show bird and produces large brown eggs. The chicks are black and white spotting and sexes by venting.

GOLDEN COMET

PULLETS

\$3.29

\$3.59

This fine brown egg layer is an extremely quiet bird that seems to withstand the colder non-insulated, laying houses of the small flock owner, better than most breeds. They mature early and lay eggs of excellent size and quality. When mature, they are golden red in color with some white showing through in their neck, back, and tail.

TURKEYS (ONLY AVAILABLE FOR MAY DELIVERY)

MAMMOTH BRONZE TURKEYS —These are colorful old-time favorites.

BROAD BREASTED WHITES- These broad-breasted turkeys are the most popular. Easy to dress because of their white feathers. These hardy day-old poults are from the finest flocks for your holiday feasts.
