

Powell Feed & Milling

Since 1942

Short on PASTURE or HAY?

We Help
You Work
Smart,
Not Hard!

We
Appreciate
Your
Business!

Last years drought took a major toll in supplying cattle with winter feeding situations. At Powell Feed & Milling we have the product that can fit into your program by supplying Protein and Quality Fiber at the same time with

POWELL'S 16% HAY STRETCHER PELLETS

The 16% Hay Stretcher Pellet is a 3/8" pellet which is easy to feed and a texture size that cattle like. Let Powell Feed help you in providing forage products to your livestock.
