## The Perfect Tents For Your Event!

We offer a full range of services and accessories to fill your needs.

### Party Tents

Come rain or come shine, we've got you covered! Our canopies add a festive touch to any outdoor gathering, no matter the weather—or the size of the crowd. Choose from a wide range of easy-to-transport, easy-to-assemble sizes and styles.

### Cotton Candy Machine

Serve the stuff memories are made of. Be sure to invite this portable machine to your next party or event!

### Party Supplies

Other accessories are sold separately.

A favorite for all ages.

### Frozen Drink Machine

For delicious, refreshing beverages that your guests will be sure to love!

Folding Chairs Sturdy, portable seating. Easy-set-up at any party or event.

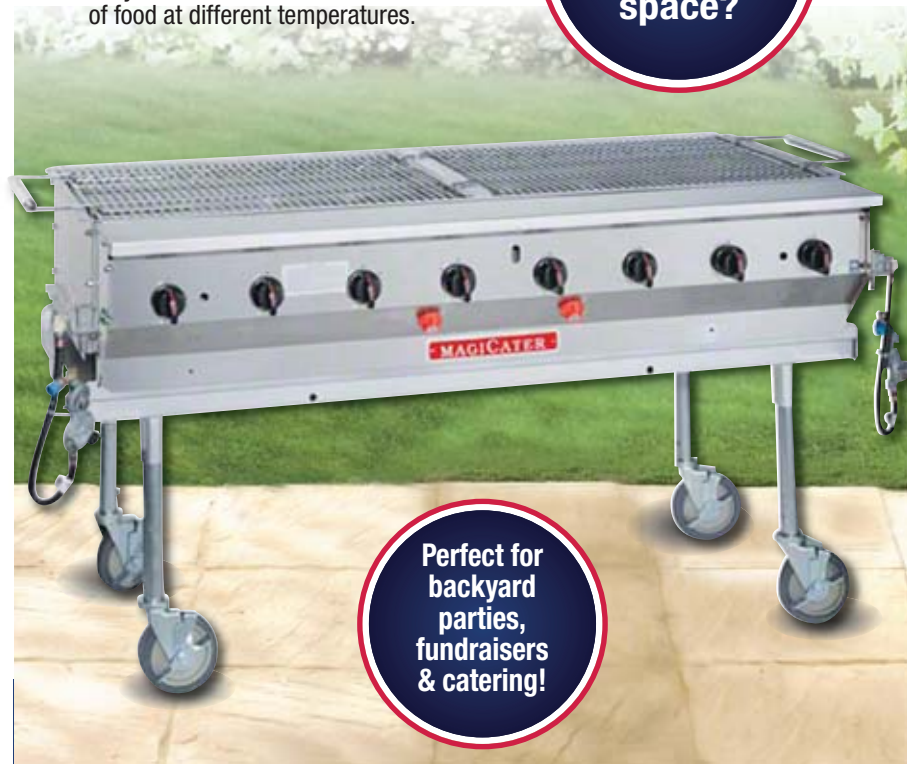

We Have Seating For Every Occasion!

## Make us your first stop when planning any special event.

Do you have enough cooking space?

### Heavy-Duty Outdoor Propane Grill

Easy to cook several different kinds of food at different temperatures.

Perfect for backyard parties, fundraisers & catering!

Full-line, full-service rental store offering great service and advice.

**Tables**  
For extra seating or serving space, info booths, registration tables and more.

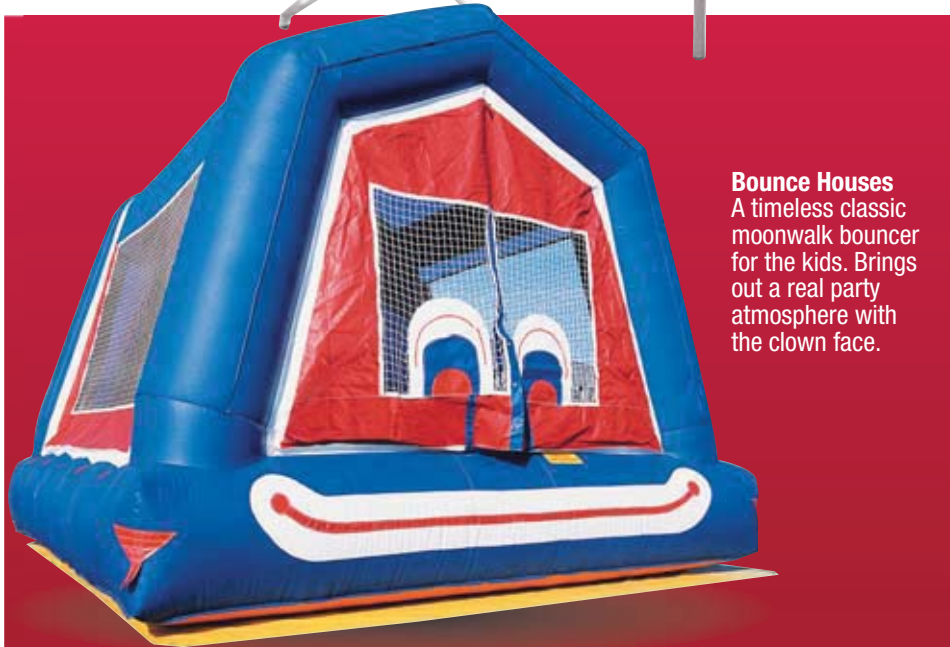

**Many shapes and sizes available!**

# Planning a party? You provide the guests, we provide the rest.

You've got enough things to worry about when you're throwing a big party or hosting a wedding. So relax and enjoy the occasion. We'll take care of all the little details!

## Why RENT?

- Less Time
- Less Money
- Less Hassle

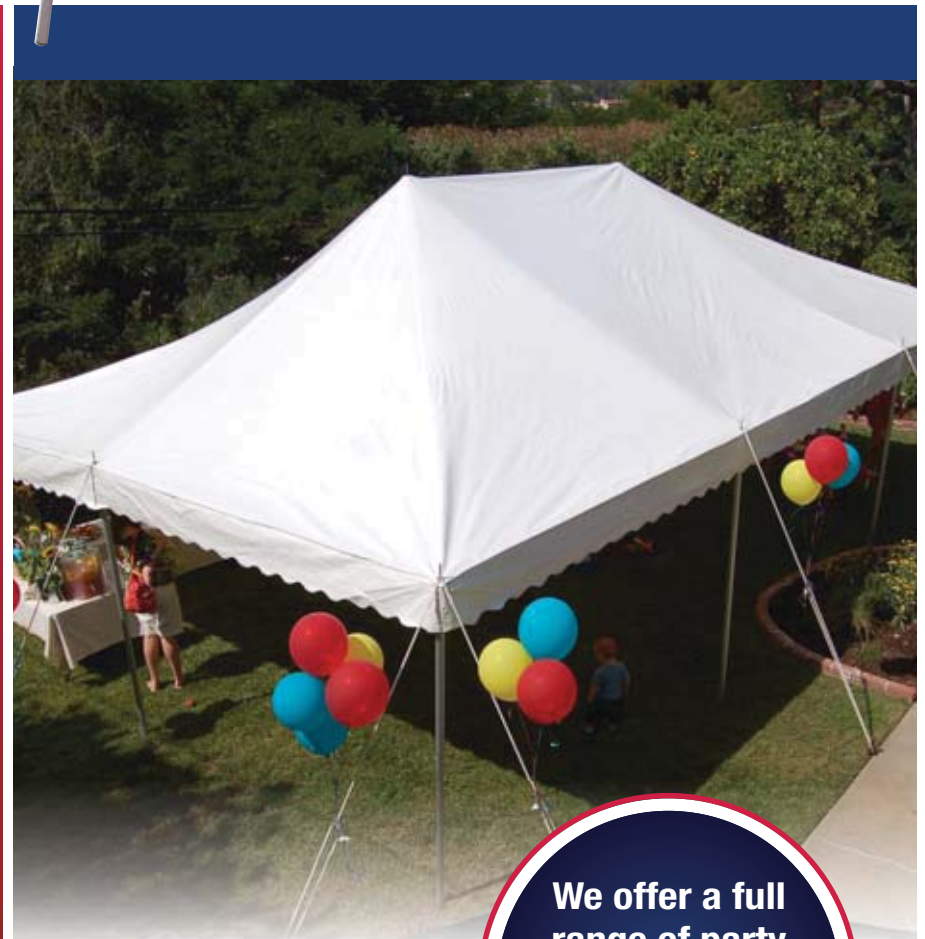

**Bounce Houses**  
A timeless classic moonwalk bouncer for the kids. Brings out a real party atmosphere with the clown face.

**Fun for all ages!**

### Laser Tag Gun

The Barracuda System is a lightweight, compact system suitable for even the youngest of players. We have taken the popular Tippmann 98 Custom marker and converted it to a permanent infrared transmitter and receiver. This new system removes the need for CO2 to operate while still using a real paintball marker just like the big guys. This is the perfect system for young players looking to be introduced to the sport of paintball and laser tag.

**We offer a full range of party tents to fill your needs for any and every event!**

### Party Tents

Come rain or come shine, we've got you covered! Our canopies add a festive touch to any outdoor gathering, no matter the weather—or the size of the crowd. Choose from a wide range of easy-to-transport, easy-to-assemble sizes and styles.

## Why RENT?

- Less Time
- Less Money
- Less Hassle

**Silver Trays and Serving Pieces**

Add a touch of elegance to any party with a silver tray or serving pieces. From intimate gatherings to formal affairs, find the silver piece that will beautifully accent your special occasion.

Add a touch of elegance for your next special event!

**Entertainment Accessories**

Coffeemakers, candelabras, champagne fountains... we offer a full complement of elegant entertainment accessories.

**Large Tents**

Make any occasion even more memorable with a party tent. Don't take chances on the weather cooperating for your outdoor event – a tent will keep your guests shaded and dry. Choose from various shapes and sizes.

Make it an event they'll never forget.

# Sometimes even the longest extension cords are useless.

So when the power's out of order – or just plain out of reach – plug into one of our reliable, smooth-running electric generators.

Always wear ear protection and safety gloves.

## Generators

When your job demands a power source versatile enough to handle changing requirements we have a full line of generators for you to choose from to suit your needs!

**Concrete Mixer**  
Professional-grade mixers are ideal for floors, sidewalks, driveways and much more.

Save time and money – mix your concrete on site!

Always wear eye, ear and foot protection, safety helmet and safety gloves.

## Milwaukee Tools

Rent our heavy-duty saws, drills, sanders, electric screwdrivers and everything you need to go with them for just about any job.

## Plate Compactor

Can be used for a variety of compaction jobs – foundations, sidewalks, landscaping or asphalt patching and finishing.

## Portable Compressor

Get work done faster and easier with our air compressors. They come complete with the air tools you need for just about any job.

Visit our website for full catalog and prices - [www.triadequip.com](http://www.triadequip.com)

Won't damage any existing turf.

**Walk-Behind Trencher**  
Digs trenches for installing pipes, sprinkler systems or electrical lines.

**Genie® Slab Scissor Lifts**  
The industry solution for increasing worksite productivity. Electric heavy-duty scissor lift with a large platform and steel guard rails. Ideal for maneuvering in tight spaces, drives easily through most commercial doorways.

Excellent for indoor and outdoor construction.

# When it comes to the hardest jobs, we'll help you take a load off!

When a job demands that you move heaven and earth, don't sweat it. We've got the heavy-duty equipment you need to accomplish the most extraordinary tasks with ease.

## Why RENT?

- ✓ Less Time
- ✓ Less Money
- ✓ Less Hassle

**Rotary Hammer**  
Quickly and cleanly bore through the hardest concrete and concrete block. You'll also find the special bits you'll need for the job.

**Airless Sprayer**  
Lightweight and portable. A solid workhorse sprayer with performance points to cover both interior and exterior painting needs.

# When it comes to the hardest jobs, we'll help you take a load off!

When a job demands that you move heaven and earth, don't sweat it. We've got the heavy-duty equipment you need to accomplish the most extraordinary tasks with ease.

**Fast and simple leveling power to handle your toughest jobs.**

**Laser Level**  
Unmanned job-site elevation reference tool that even works on slopes.

**+**  
Always wear eye, ear and foot protection, safety helmet and safety gloves.

### Power Trowel

You don't have much time to smooth out freshly poured concrete. And you don't need much time when you've got our professional concrete finisher, with heavy-duty rotating blades for super-smooth results.

### Walk-Behind Concrete Saw

This multipurpose saw is made for cutting concrete, asphalt and other material – great for slab cutting or asphalt patch repairs. It's compact, lightweight and easy to maneuver.

**Concrete Tools**  
You'll feel more confident in taking on even large concrete projects if you have the right tools.

**Skid Steer Loader**  
Compact design is ideal for big jobs in confined spaces. Choose from a variety of optional attachments.

# Need help with a floor project? Let our experts walk you through!

We'll give you the lowdown on floors, building, refinishing, laying new tile or cleaning carpet along with all the right equipment and supplies. When it comes to floors, we make it easier than ever to achieve professional results while satisfying your bottom line!

**Carpet Cleaner**  
Rent for a fraction of the cost of hiring a professional. Consider this powerful, yet lightweight machine. It's simple to use and folds up for easy transport.

**Floor Fan**  
Reduces carpet drying time by 50%.

Shave time and money off your floor refinishing project!

**Floor Sander**  
Remove imperfections and old finishes to prepare for varnishing and polishing.

Always wear eye and ear protection and a breathing mask when operating this machine.

**Floor Machine**  
Used to scrub or polish a hard floor. With the right accessories, you can quickly convert the machine for the next flooring project.

**Carpet Cleaner**  
Choose from a wide range of cleaning solutions to keep your carpet and upholstery fresh.

Ideal for medium to large tile projects.

**Tile Saw**  
Make your own precision cuts on a professional grade tile saw. It slices quickly and easily through ceramic and quarry tile.

# Repainting your house? We put professional results within everyone's reach!

Before you plunge headlong into a painting project, consider how much time and money you'll save when you use professional-grade equipment to handle the various aspects of the job. We'll help you get it done on time, under budget and in any color you please. And if you need advice, we offer it by the bucketful.

Spread  
paint, stains,  
and clear  
finishes faster  
than any brush  
or roller.

### Airless Paint Sprayer

Ideal for exterior paint projects. It covers vast expanses of siding quickly and evenly.

Always wear eye  
and ear protection  
when operating  
this machine.

### Trash Pump

Move high volumes of trash water from construction site or backyard projects.

### Portable Generator

Sometimes even the longest extension cords are useless. So when the power's out of order – or just plain out of reach – plug into one of our reliable, smooth-running electric generators.

### Pressure Washer

Easily clean decks, patios, driveways, siding, sheds, outdoor power equipment and more.

Always wear eye  
and ear protection  
when operating  
this machine.

### Power Crank and Snake

When tree roots and other debris take over your septic system, our power crank has the power you need to break through it all. This easy-to-use wheeled unit rolls right up to any problem, and it's ideal for hard-to-reach and multi-drain areas.
