### 1-Gal. Bar & Chain Oil

Formulated with highly refined base stocks and select additives to assure excellent performance. Designed with high load-carrying capacity to protect against high pressures generated in the bar and chain during operation. A special tackifier is added to the oil, which promotes good adhesion to moving parts and minimizes oil throw off. Designed especially for lubrication of bar and chains on chain saws and open and enclosed chains on motorcycles, snowmobiles and lawn and garden equipment.. (0981399) (702277)

**Poulan PRO**

### Poulan Pro Chainsaws

The Poulan Pro 18-inch 42 cc 2-cycle gas anti-vibration chainsaw features a 18-inch bar. Its anti-vibration system isolates the engine from the chassis, reducing vibration and improving comfort and safety; further safety measures are ensured by the inertia-activated chain brake, which stops rotation of the chain should kickback occur. The auto oiling system lubricates the bar and chain continually during use. The saw also features: durachrome vertical cylinder design; an improved pulley starting system; a reverse sprocket for easier chain replacement; a super clean air filtration system, and a soft touch handle. The included case keeps the saw neat and clean. This unit come fully assembled and includes a 1-year warranty. (9347873) (PP4218AVX)
