Over the past 53 years, Knisely's Pet & Farm Center Inc. has established a distinguished reputation throughout the Cumberland County community. Family owned and operated for over 3 generations, our customers have always been our first priority. We are committed to providing our customers with the best selection and service on every visit. No exceptions.

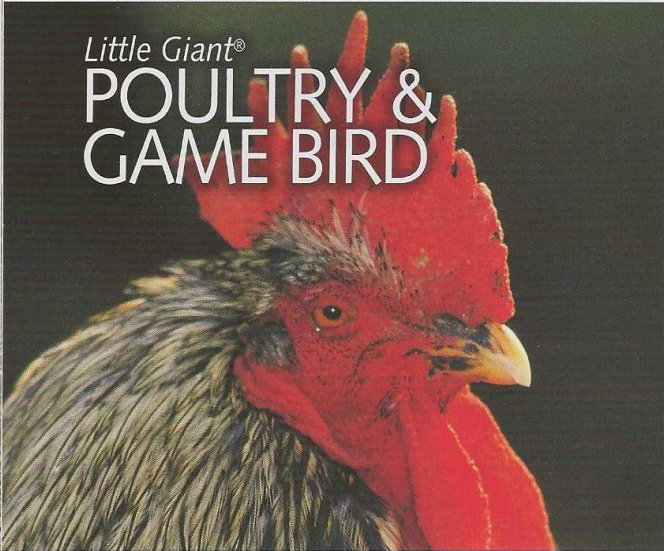

We designed this guide to provide information to the novice backyard flock raiser to the seasoned farm show winners. We want each and every one of you to be able to pull this booklet out to find out what products we carry to properly care for your chicks. Also, we have incorporated our schedule of chicks that we will be getting for the 2013 season, with a brief description and picture of the chick and full grown bird.

20 Week old Red Sex Links will be available in Mid April. The cost is \$7.20 per hen. The option to have your hen not de-beaked is available however the price is \$7.45 and the hen will not be available until early May. You must have your order with payment in full before April 1<sup>st</sup>. If you place an order after April 1<sup>st</sup> there will be a second opportunity to get 20 week old hens in May. Buy 5 and feed and Save with Knisely's Hen & Feed bundle. When you purchase 5 laying hens and a 50 lb. bag of Layena Pellets or Crumbles you save!
