

# Chick Days Specials 2013

## SOLDAN'S

Feeds & Pet Supplies

www.soldanspet.com

### Springtime is Chicken Time at Soldan's!

## Check your Chick List:

- Feeder**  
Choose from a large selection of galvanized & plastic feeders.
- Waterer**  
Make sure to have a closed water source that chicks cannot submerge themselves in.
- Heat Lamp**  
Chicks & other poultry will need heat until they are fully feathered.
- Heat Bulb**  
Tip: Choose a red light to help reduce picking.
- Food**  
Feeds for every poultry type available! Make sure you have the right feed for your type of poultry.
- Electrolytes**  
Chicks can stress easily and become dehydrated. Keep them healthy with electrolytes.
- Bedding**  
Whether you choose pine shavings or pellets, make sure to keep dry and clean to keep chicks healthy!
- Starter Grit**  
Grit helps break down grains and other coarse foods. When your chicks get older, offer oyster shells for a great source of calcium.
