

Help Wanted On Water Garden / Landscape Crew

We specialize in water feature construction and maintenance but offer all traditional landscape services (except we do not cut grass). Nature of projects entails the installation and maintenance of: ponds/streams, patios/walkways, gardens and irrigation systems. We are looking for a reliable, responsible, team oriented individual who has a can do attitude.

This is an opportunity for long term employment. We offer ongoing training and have room for advancement.

Application Requirements: (if you do not fulfill requirements do not reply)

- Must be at least 21 years of age!
- Valid driving license and clean driving record
- Clean background check
- Reliable transportation to work
- Must be a team player with a positive and professional attitude!
- At least two years experience and or related education a plus
