Why do you raise chickens?

Ask any flock raiser this question and your answer will be filled with passion. Birds give flock raisers across the country wholesome, nutritious eggs and meat. But birds give us all much more than that. They make us laugh. They are lovable and each one has her own personality.

One of the most prominent benefits of a backyard flock is that you can produce your own food. Poultry breeds are divided primarily into three groups: egg layers, meat producers and show birds. When cared for properly and fed a nutritionally-complete diet, one bird can produce up to 300 eggs per year or produce quality meat for your family.

Feed Them SunFresh Recipes by Purina

There are Three Basic Types of Poultry Feed:

“Pelleted” feeds are concentrates of high quality grain ingredients with vitamins and minerals added.

The following feeds are available in pellet form:

“Crumbles” pellets are “broken” making it easier for poultry to eat.

Same as pellets: concentrates of high quality grain ingredients with vitamins and minerals added.

The following feeds are available in crumbled form:

Your Chicks Will Love It … Purina Start & Grow

How and When to Feed:

1. Feed Purina Mills® Start & Grow® SunFresh® Recipe as the sole ration to free range and confined chickens (including backyard egg producers, small to medium breeds and fancy and exotic breeds) free-choice from hatch until laying age (18-20 weeks).
2. At 18-20 weeks of age, feed Purina Mills® Layena® SunFresh® Recipe free choice.
3. Always provide shelter and a constant supply of fresh, clean water.
4. Consumption will vary depending upon season of the year, nutritional needs of your chicks and availability of other foods.
Perky Pet No/No Seed Ball Wild Bird Feeder

The NO/NO® Seed Ball Wild Bird Feeder features a unique mesh wire design and provides the perfect feeding area for a variety of clinging birds. The feeder is made of all metal, and contains no plastic, and no wood. This special design also keeps water from pooling in the container - keeping seed fresh longer. The feeder is low-maintenance, easy to clean and is sure to keep birds happy all season long! Holds 6 cups of seed. You will love this feeder and so will your “clinging” birds.

Spring is here which means your birds are nesting. Clean your feeders and bird bath. Suet, black oil sunflower, finch seeds, assorted chows for all your wild bird friends.
