TRIPLE CROWN NATURALS

Pelleted horse feed

-  Made with non GMO ingredients
-  Contains no soy or corn
-  No added artificial flavors or colors
-  Contains six organic minerals, including selenium, to maximize absorption of vitamins and minerals
-  Guaranteed levels of probiotics and prebiotics to enhance digestion and absorption

Triple Crown Naturals pelleted feed starts with premium alfalfa provided by select growers that use non-GMO seeds, ground oats, cold-pressed flaxseed oil, kelp, fenugreek seed, plus all of the beneficial components found in EquiMix® Organics.
